IUH SERIES
Industrial Unit Heater

Technical Specifications:

Temp Range: 45°–90°F
CFM: 270–1800

Ideal Spaces:

Factories
Garages
Stockrooms
Stores
Maintenance Rooms
Warehouses
Service Stations
Workshops
Stairwells

Beige

- All motors and contactor coils are 240V and operate on the secondary of a factory-installed step-down power transformer on 480V and 600V heaters so a separate fan and motor control power source is not needed
- Automatic fan delay eliminates cold drafts on start-up and discharges residual heat from the heater body during shut down
- Steel fins are copper-brazed to low-watt density, steel-sheathed tubular heating elements
- 5 and 7.5 kW models also come equipped with ceiling mounting bracket for horizontal or vertical flow mounting or any position in between
- Uniform discharge of all heated air lowers internal operating temperatures and prolongs element life
- Cabinet is finished with a polyester powder coating for excellent corrosion resistance
- Element finished with aluminized paint for corrosion resistance
- Fins and elements are arranged in a uniform grid pattern and fit closely into air discharge area to assure that all incoming air passes through heating element
- High-limit cut-off automatically shuts off current in the event of overheating and reactivates unit when temperature returns to normal
- Adjustable louvers provide directional heating to heat desired areas

*13 in. for 10-15 kW units; 16 in. for 20 kW unit. 5 kW and 7.5 kW can be used in horizontal or vertical position. Heaters come equipped with ceiling mounting bracket for horizontal or vertical flow mounting or any position between.

Limited space? We've got your customized comfort covered.

Choose the IUH Series Horizontal/Downflow Unit Heater for basic heating or the **MWUH Bundle** with an included mounting bracket and built-in thermostat for one-stop-shopping. Both have adjustable louvers and flexible mounting options that enable you to take aim at the cold. Best of all, both heaters will keep your coldest spots warm and comfortable for years to come.
